CUSTOMISE YOURS TODAY!

Whether it's a single garage, a shed for the boat, a multi car garage or even a large workshop, our experienced team will work with you to tailor a design to suit your specific requirements

Our versatile modular system means that you can design and build sheds, carports and garages with either a gable or skillion roof that fits your home and lifestyle.

- Choose your shed span
- Then combine standard, wide or open bays, access doors, windows, skylights and more.
- Make the perfect colour choice with Colorbond or Zincalume steel cladding

Steeline FNW shed structures are designed to meet the toughest standards for quality, durability and attractiveness. The fully bolted frame and clear shed span design is highly adaptable for a variety of uses and strong enough to withstand the toughest Australian conditions.
